

AFL Coaching Newsletter - February 2010

Coach AFL this month reviews the 2010 AFL National Coaching Conference which was recently held in Adelaide. Think you could coach an AFL team? Then test yourself with the Toyota AFL Dream Team Competition. We provide a drill that will test your player's ability to kick and mark the ball whilst fatigued. The newsletter also provides updates from states and a calendar of coaching events coming up in certain states.

2010 AFL National Coaching Conference

Over the weekend from Friday 29th – Sunday 31st of January the AFL held the 2010 AFL National Coaching Conference in Adelaide at AAMI Stadium in the new Adelaide Crows Training and Entertainment facility. The conference was again a resounding success with over 570 coaches in attendance.

Over 100 umpire coaches participated in the 2010 AFL National Umpire Coaching Conference which was being held in conjunction with the 2010 AFL National Coaching Conference. This was a significant step in bringing playing, coaching and umpiring together as integral parts of football rather than seeing them as separate entities.

The conference was opened by SANFL Executive Commissioner Leigh Whicker. He was followed by an enthusiastic Mark Williams (Port Adelaide FC) who delivered the opening keynote address that analysed the 'Journey to Modern Coaching' followed by Michael Broadbridge (West Coast Eagles FC) who considered 'Moving on From the Noughties' and the possible trends for coaching in the future.

On Saturday participants attended elective sessions on many different aspects of the game including strategy and tactics, club culture, developing fitness, learning styles and coaching youth etc. Saturday's program also included the AFL Practical Kicking Workshop which was conducted out on the ground at AAMI Stadium analysing the critical learning points of kicking that had been developed by the AFL Kicking Working Party.

A highlight of the weekend was again the Saturday night conference dinner which provides an informal setting for coaches to network with other coaches from across Australia. Mick Molloy entertained the crowd with his observational humour and it was evident a good night was had by all.

The AFL would like to thank all presenters and participants for making the weekend a success. Special thanks go to the Adelaide Crows for hosting the conference and the SANFL for their tremendous support.

We look forward to doing it all again in 2011.

DRILLS

This month we provide a drill that focuses on kicking and marking with fatigue:

1. Cross Road Catch

Requires:

- 4+ players
- 1 ball per two players
- 4 markers

Aim:

To get players to mark the ball on the run using their hands only. Also to encourage players to mark the ball out of their comfort zone by running at 80% intensity.

Drill:

1.

Kicking group kick the ball to marking group who take the mark in their hands at pace. After taking the mark they push through to the cone. After all markers have been through and pushed through to the cone the markers then become the kickers.

2.

The group who were originally the markers become the kickers and kick the ball to the markers who take the mark in their hands at pace. Markers should again push through to the cone and they become the kicker again.

Keys:

- Players need to work at high intensity to practice both kicking with fatigue and marking the ball in their hands at full pace whilst fatigued.

Variations:

- Players to kick on both their left and right feet.
- Players to kick on a certain foot depending on the colour of the football (eg. yellow = right, red = left)
- Players to either take a hand mark or chest mark depending on the colour of the football (eg. yellow = chest mark, red = hand mark)

FEMALE COACHES - LEVEL 2 SCHOLARSHIP OPPORTUNITY

The AFL has instigated a Level 2 Female Coach Scholarship scheme in 2010. Aimed at encouraging female coaches to grow their football knowledge, increase their coaching network and acquire possible mentors and improve their overall coaching confidence, one scholarship is available to each State/Territory.

Deanne Coates, Coach, Coastal Titans and mentee coach in the WA Female Talent Academy. Deanne is an early applicant for the Level 2 Scholarship.

Each Game Development department and/or League is encouraged to identify a number of female applicants who aspire to being the best coach they can be regardless of the gender they coach or the level they are currently coaching at. However this opportunity would best benefit someone whose goal is to coach a development squad, talent academy or state team.

The scholarship entails covering the costs to attend a Level 2 Coach Accreditation course in each state/territory plus cover some of the costs towards attending the annual AFL National Coaching Conference in February 2011.

If you would like to apply or know of a woman who would be interested or require further information please contact Jan Cooper on jan.cooper@afl.com.au or (08) 9381 5599. Applications close March 26th.

YOUTH LEADERSHIP

Jason's McCartney highly acclaimed Youth Leadership seminar – Destiny is a Matter of Choice can now be viewed through the AFL Schools website by [clicking here](#).

This seminar is designed to motivate the youth of today and provide them with the necessary tools in order to live their dreams. The seminar is designed to provide some of the necessary skills to take control of their destiny by understanding decision-making, leadership, support networks and goal setting.

This seminar would be ideal as a club activity for youth players to develop their leadership and decision making.
